FACILITIES CHARGE

A monthly fee to recover the cost of providing utility services even if no energy or water is being used. These costs include physical infrastructure, billing, accounting, customer service and other fixed costs.

OFF PEAK ELECTRIC HEAT SERVICE

Off peak heating rates are available to customers that have electricity as their primary heat source and also have a back-up heating system. Eligible backup systems include storage heat, fuel oil, natural gas or propane. When demand for electricity is high, the electric heat source will be shut off (controlled). During the control time when the electric heat is shut off, the back-up system needs to automatically provide the heat that is needed. The electric heat will be metered separately and receive the following off peak rates:

- September to May: \$0.0465 / kWh
- July to September: \$0.1110 / kWh

PURCHASE POWER ADJUSTMENT CLAUSE

The Purchase Power Adjustment Clause allows ALP to automatically raise or lower its rates, by \$0.01 per kWh increments in response to purchased power cost increases or decreases.

COGENERATION & SMALL POWER PRODUCTION TARIFF

All customer generation in excess of their electrical energy requirement which flows back into ALP distribution system shall be paid at a rate of \$0.0362 / kWh.

COMMERCIAL ELECTRIC SERVICE

Customers maintaining a demand less than 50 kVA monthly

SECURITY LIGHTS

All newly installed security lights need to be wired through the customer's meter. For the security lights that are on our system prior to this ruling, the following rates apply:

- 175 Watt Mercury Vapor: \$10.30 / month
- 75/100 Watt High Pressure Sodium: \$8.90 / month
- 150/200 Watt High Pressure Sodium: \$10.30 / month
- All LED: \$9.35 / month

NEW CUSTOMERS

New customers must establish service by completing a service application and meeting ALP's service deposit requirements.

DEPOSIT REQUIREMENTS

A service deposit is required for all new customers unless proof of satisfactory credit history with a former utility is provided prior to service connection.

Acceptable credit history must show 12 consecutive months of on-time payments within the last 12 months for residential customers, and 24 consecutive months within the last 24 months for commercial customers.

Service deposit amounts:

- Residential Customers: \$200.00
- Commercial Customers: Amount equal to the two highest monthly billings

LATE FEE/ DELINQUENT PAYMENTS

Payments must be received in our office by the due date each month to avoid a late payment charge. The late payment fee is 5% of the current month's charges.

Any account not paid for two consecutive months will be sent a notice requiring the balance to be paid in full. Customers may contact ALP to make a satisfactory payment arrangement to avoid disconnection. If payment or payment arrangements are not made within the allotted time, service may be disconnected without further notice.

Services disconnected for non-payment will be required to pay a reconnection fee, plus a service deposit if one hasn't been made and the unpaid balance on the account must be paid before service will be restored.

Reconnection Fee: \$50.00
